

Management Commitment

Note: The information on this form is collected to process your application for managed forest land classification. Confidentiality of information contained within this form and information gathered by the Managed Forest Council is governed by the *Freedom of Information and Protection of Privacy Act*.

PART 1: Registered Owner

Name(s):			
Contact Person:	Telephone #:	Email:	
Address:	City:	Province:	Postal Code:

PART 2: Identification of Lands Provide a location map. Attach an appendix if required.

Local government (nearest municipality or regional district):			
Legal Description	Assessment Roll Number	Parcel Identifier PID	Area (hectares)
Is there a residence / dwelling on the parcel(s) listed above?		Yes or No:	Hectares:
Is there land included in the above parcels, that will be used for a purpose other than residential and other than the production and harvesting of timber?		Yes or No:	Hectares:

PART 3: Long Term Forest Management Objectives

State long-term management objectives for the property. Include objectives regarding the growing and harvesting of trees, soil conservation, water quality, fish habitat, reforestation, and critical wildlife habitat.

Management Commitment

Owner(s):

PART 4: Strategies to Achieve Forest Management Objectives

Specify the forest management strategies that will be employed with respect to the long-term forest management objectives stated in Part 3.

PART 5: Soil Quality Assessment

Enter the total area of the land for each site class category. Do not include hectares that have residential or other non-forestry use, as indicated in Part 2.

Site Class	Good	Medium	Poor	Inoperable*	Nonproductive**	TOTAL
Area (hectares)						

* Inoperable means land which is productive for commercial tree species but its physical nature prevents harvesting by current methods

** Nonproductive means land that is physically incapable of growing commercial tree species

Management Commitment

Owner(s):

PART 6: Inventory of Existing Roads

Attach a map indicating the location of existing roads within the property. This information may be on the same map as for Part 7.

PART 7: Forest Cover Information

Attach a forest cover map. Must identify any Land to Reforest (LTR) areas greater than one (1) hectare.

LTR total area (hectares)	
---------------------------	--

PART 8: Commercial Species

Specify the species of commercial trees that will be used for reforestation.

PART 9: Restrictions on Forest Activities

Identify any restrictions on use of the land for the production and harvesting of timber, including covenants and local bylaws..

PART 10: Commitments

I hereby commit to:

- a) use the specified lands for the production and harvesting of timber;
- b) comply with the *Private Managed Forest Land Act (Act)* and Regulations;
- c) pay the annual administration fee and any levy; and
- d) pay the exit fee, if applicable.

I hereby recognize the authority of the Managed Forest Council under the *Private Managed Forest Land Act* and persons authorized under the Act by the Minister responsible for the administration of the *Wildlife Act* to enter onto my lands to determine compliance with the Act and Regulations.

Signature of Owner or Authorized Agent	Printed Name	Date (dd/mm/yyyy)
